FAN FAVORITE! Sixty Days of Tulips Mix (20)

Tulipa

This mix of early, mid, and late spring bloomers offers fresh bursts of color throughout the season. Multiple varieties and colors.

Hardiness Zones: 3–8

Plant Type: Perennial

Bloom Time: Early to late spring

Advantages: Color variety; great in borders or planted in clusters

Mature Plant Size: Varies from 6"–24" tall

Light Requirements: Full sun to half sun

Plant Depth: 7" deep, 4" apart

Soil Type: Moist but well-drained soil

\$36.00

Daffodil Bulb Mix (25)

Narcissus

A springtime favorite, this assortment can include colors from white to yellow-orange and sizes from small cup to trumpet.

Hardiness Zones: 3–8

Plant Type: Perennial

Bloom Time: Early to late spring

Advantages: Deer, drought, and rabbit resistant

Mature Plant Size: Varies up to 20" tall

Light Requirements: Full to part sun

Plant Depth: 6" deep, 3"–4" apart

Soil Type: Well-drained, loamy soil

\$22.00

FAN FAVORITE! Blue Allium (20)

Allium caeruleum

Stunning globe-shaped flowers emerge in late spring to early summer. Perfect for cut or dried arrangements and deer resistant.

Hardiness Zones: 4–10

Plant Type: Perennial

Bloom Time: Late spring to early summer

Advantages: Deer and rabbit resistant; drought resistant

Mature Plant Size: 18"–24" tall

Light Requirements: Full sun

Plant Depth: 4" deep, 2" apart

Soil Type: Loamy, well-drained soil

\$18.00

Grecian Windflower Mix (15)

Anemone blanda

This beauty features daisy-like flowers, is deer resistant, and is an excellent choice for rock gardens as well as containers.

Hardiness Zones: 5–9

Plant Type: Perennial

Bloom Time: Early to mid spring

Advantages: Deer and rodent resistant

Mature Plant Size: Approx. 4"–6" tall

Light Requirements: Half sun/half shade

Plant Depth: 3"–4" deep, 2"–4" apart

Soil Type: Rich, loamy, well-drained soil

\$18.00

Snake's Head (10)

Fritillaria meleagris

Eye-catching checkered purple blooms are the focal point of this deer-resistant wonder. Good container plant.

Hardiness Zones: 4–8

Plant Type: Perennial

Bloom Time: Mid spring

Advantages: Deer and rabbit resistant

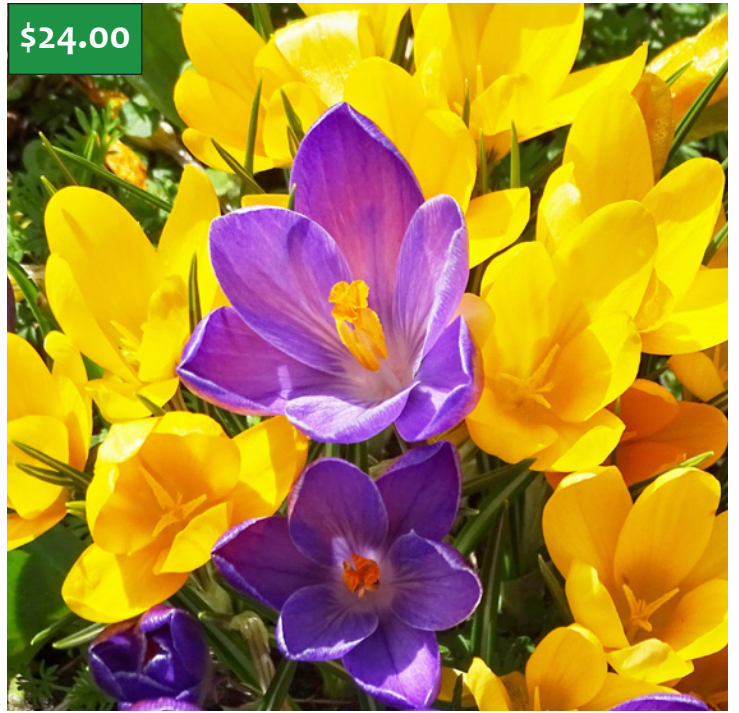

Mature Plant Size: 10" tall

Light Requirements: Full sun to part sun

Plant Depth: 6" deep, 3"–4" apart

Soil Type: Loamy, average soil

\$24.00

Snow Crocus Mix (25)

Crocus chrysanthus

These petite favorites are among the first to emerge in springtime and feature a palette of purple, yellow, and white.

Hardiness Zones: 3–8

Plant Type: Perennial

Bloom Time: Early spring

Advantages: Perfect choice for borders

Mature Plant Size: 4" tall

Light Requirements: Full sun to half sun

Plant Depth: 3" deep, 1"–2" apart

Soil Type: Loamy, acidic, well-drained soil

\$18.00

FAN FAVORITE! Allium Rock Garden Mix (25)

Allium moly, *Allium oreophilum*, and *Allium sphaerocephalon*

Create a colorful display with these deer-resistant perennials! Mix includes Golden Garlic, Pink Lily Leek, and Drumstick Allium. 25 assorted bulbs; quantity of each type may vary per package.

Hardiness Zones: 4–9

Plant Type: Perennial

Bloom Time: Late spring to early summer

Advantages: Deer and rodent resistant; attracts pollinators

Mature Plant Sizes: 8"–12" for Golden Garlic and Pink Lily Leek; 24"–36" for Drumstick Allium

Light Requirements: Full sun

Plant Depth: 4" deep, 2" apart

Soil Type: Moist but well-drained soil

Thoughtful Gifts and More

\$20.00

NEW! Gardener's Hand Care Set

Treat a gardening friend or yourself to this luxurious, handcrafted shea butter and olive oil soap bar with a bamboo-wood soap dish and nail brush.

Set includes:

- 4-ounce natural soap bar made with shea butter, olive oil, coconut oil, and palm oil blended with lemon, spearmint, and fine pumice powder
- Bamboo-wood soap dish to allow soap to drain and dry
- Wooden nail brush to remove stubborn dirt from fingernails

\$25.00

NEW! Garden Vibes 2-in-1 Candle/Planter

Enjoy 38 to 40 hours of burn time in a six-ounce soy candle scented with notes of lavender, grape soda, wild iris, and violet. Then reuse the ceramic vessel by adding your own potting soil and planting the included lavender seeds.

Kit includes:

- Non-GMO lavender seeds
- Six-ounce soy blend candle in a ceramic vessel with soft purple matte glaze exterior and flecked glossy interior
- Planting instructions

\$18.00

NEW! Plant Watering Stakes Set of 2

Care for your thirsty houseplants with these whimsical and functional plant watering stakes. Set includes one each of the bird and heart styles. Crafted from durable, clear plastic, each stake measures approximately 9½" in length.

- Easy to use
- Delivers water directly to the roots of the plant
- Protects sensitive leaves from water damage
- Provides steady, consistent moisture to avoid over- or under-watering

\$15.00

NEW! Leaf Print Glass Plant Mister

This elegantly designed plant mister is perfect for humidity-loving tropical houseplants or air plants. It's also useful for moistening soil when starting seeds in late winter. Misting is especially useful in the winter months when indoor air is dry. You can also use a mister to help clean the leaves of your houseplants. To mist, fill the glass vessel with water, insert your index finger into the handle, and press the plunger with your thumb. We recommend using filtered or distilled water for misting to prevent mineral spots on leaves. Mister holds approximately 7 ounces.

Indoor Seed Kits and Gifts

Tiny Terracotta Kit – Curious Catnip or Good Dog Greens

Find a sunny window in your home and grow a treat for your furry friends! Kits come with everything you'll need to start growing a catnip or wheatgrass plant:

- Certified non-GMO catnip or wheatgrass seeds
- 3.5"x3.5" terracotta vessel with glazed interior
- Coco pith disks, plant food
- Instruction manual

Tiny Terracotta Kit – Thank You Daisies

Give the gift of gratitude—say thank you to a teacher, delivery person, friend, or family member with this thoughtful Gerbera daisy indoor growing kit. Includes everything you'll need to start growing:

- Certified non-GMO Gerbera daisy seeds
- 3.5"x3.5" terracotta vessel with glazed interior
- Coco pith disks, plant food
- Instruction manual

Glass vessel not included.

Botanical Keepers

Arrange flowers or propagate plant clippings by pairing a botanical keeper with a standard drinking glass or repurposed glass jar filled with water. Each keeper measures 3.75" in diameter with a 1.75" opening and is made from responsibly sourced renewable materials including bamboo, melamine, and corn starch. Keepers are food safe and BPA-free. Set of two includes one keeper for flower arranging and one keeper for propagating. Makes a thoughtful gift for anyone who enjoys flower arranging or propagating house or garden plants.

Glass vessel not included.

Produce Keepers

Keep herbs and leafy greens fresh up to two weeks longer by pairing a produce keeper with a standard drinking glass or repurposed glass jar filled with water. Produce keepers are made from responsibly sourced renewable materials including recycled bamboo, melamine, and corn starch. Keepers are food safe and BPA-free. Each keeper measures 3.75" in diameter. Set of two includes one keeper with a 1.5" opening for sprigs, and another with a 2" opening for bunches. Makes a thoughtful gift for anyone who enjoys cooking or gardening with herbs and leafy greens.

Garden Keepers Set of 2 <i>Botanical or Produce</i>	\$18.00 per set

About Our Bulbs

We source our bulbs directly from Holland. These healthy, hardy, and unique varieties will succeed in various areas throughout the contiguous United States. The larger bulb sizes we offer will maximize the blooms in your garden right from the start.

Know your hardiness zone, and be aware of the recommended hardiness zones for any bulbs you purchase. You can find out your zone by checking the map on the USDA's website at planthardiness.ars.usda.gov. A hardiness zone map is also available on each fundraising group's landing page.

With your bulbs, you will receive a general instruction sheet for planting. Bulbs should be planted as soon as the ground is cool, when evening temperatures average between 40°–50° F. You should plant at least six weeks before the ground freezes.

Three Rivers Wreath & Plant Company guarantees the quality and growth of every plant we ship, so long as each item is planted promptly upon receipt. Please see the refund and exchange policy on our website at threeiversfundraising.com/refunds-exchanges for complete details.
